

VOLUNTEER STATEMENT

BACKGROUND

The Hispanic Women's Corporation (HWC) was founded in 1981 as a result of a series of meetings among Latina women whose shared experiences sparked recognition that Latinos have unique social concerns, cultural challenges and opportunities requiring exploration. Their diverse backgrounds in corporations, government and educational institutions led to the establishment of the HWC leadership and professional development institutes for women and students. HWC now has become a national force drawing over 2000 attendees to the Executive, Professional and Youth Leadership Institutes.
